Details

The G 4000 OH, German engineered from the ground up, is a high-performance pressure washer designed for heavy-duty use. No job is too difficult for the G 4000 OH! It has many industry-leading features, such as a 390cc Honda GX Series engine and Kärcher's high-performance industrial-grade pump with brass pump head developed exclusively by our German engineers. Our customers asked us to develop a pressure control system that is as easy to use, resulting in our Remote Pressure Control, exclusive to the G 4000 OH. This feature allows you to work continuously without having to stop each time you want to adjust the water pressure! Other advanced features the professional will appreciate on this top-of-the-line unit include a stainless steel spray wand, 12" pneumatic tyres with metal wheels, a 15m steel braided hose and a complete set of Kärcher's patented Pro-Style quick connect nozzles. The G 4000OH sports a durable, chip-resistant black crinkle finish and offers the most advanced features in its category...the perfect solution for those who demand the absolute highest level of cleaning performance!

Accessories

Hard surface cleaners

T350 Wide Area Surface Cleaner

For cleaning surfaces such as patios, terraces and driveways without splashback, there is no better solution than Karcher's T350 Wide Area Surface Cleaner. It saves time by cleaning a 13" wide area gently as it hovers, providing consistent, streak-free cleaning. When you finish cleaning the patio and driveway, remove the wand and use the handle to clean garage doors and other vertical surfaces. Includes two height-adjustable nozzles which spin at high speed for optimum streak-free cleaning. Our top selling accessory for Karcher gasoline pressure washers. (Fits Karcher gasoline pressure washers rated at 2400-2650 PSI)
